

### Tempe RW President's Letter

As we continue to implement the ideas from the member survey we are increasing the pace and variety of our meetings so PLEASE be on time. The meetings will be starting with the invocation and Americanism program promptly at 6:45pm. We need people to check in prior to this to not be distracting to the speakers. Check out the website [www.temperw.org](http://www.temperw.org) for the full agenda each month, or our facebook page invitation. The meeting format will also be posted to the website.

To better serve you some of our board members have felt it would be best to switch roles. While the board has approved these changes it must be ratified by the membership, so we will be voting on this at our upcoming meeting. The changes include, Jessica Merrow stepping up to be programs chair, Sharla Patterson stepping into Jessica's spot as membership chair, and Becca Jo Pechin stepping in to recording secretary in lieu of Sharla. Please support these ladies. Each of them are doing an incredible job for the organization and we are growing because of their efforts..

We are continuing our first quarter membership drive. If you are walking your precinct or helping a candidate walk, please get some of our door hangers from Jessica and drop these at the houses. Don't forget to keep track of your campaign hours, as this is part of the club awards next year.

Our virtual group on facebook has continued to grow. Feel free to invite potential members to like our facebook page. The board also voted to spend \$30 per month to promote our facebook page to likeminded people. Since doing so our likes have increased substantially.. Jessica will be hosting classes on how to get started with facebook, for those who are not familiar. Email us if you are interested in participating in her classes. [tempeazrw@gmail.com](mailto:tempeazrw@gmail.com) . The group is a closed group, so feel comfortable joining the conversations. While you are on facebook, please "like" our page as well and share interesting articles you find , so that all can enjoy and learn. Education on the issues is critical towards making a difference in voting patterns.

Looking forward to seeing you at the upcoming Secretary of State Panel. Stay tuned for April as well...We will be having a gubernatorial panel then.
